INFORMATION DISCLOSURE STATEMENT

Commissioner:

Applicant and their legal representatives hereby make of record on the attached PTO Form-1449 the following publications, which are known to them and considered warranting disclosure under 37 C.F.R. §1.56.

Applicant states that some of the publications were cited in an International Search Report issued in connection with a counterpart Patent Cooperation Treaty Application No. PCT/US2004/022318. A copy of the International Search Report is enclosed for the Examiner's review. Copies of the foreign patent documents cited in the International Search Report are also enclosed.

This submission does not represent that a search has been made and does not constitute an admission that the listed documents are material to the patentability of the invention, or that the listed documents are prior art. Applicants reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application. If it should be determined that any of the listed

documents constitute prior art under United States law, Applicants reserve the right to present to the Office relevant facts and law regarding the significance of such documents to the patentability of the claimed invention.

It is respectfully requested that the Examiner initial and return copies of the enclosed form PTO-1449 with the next Patent Office communication.

This information disclosure statement is being filed under 37 C.F.R. § 1.97 (c) (1), after the mailing of a first Office Action on the merits, but before the mailing date of either a Notice of Allowance or a Final Office Action. The fee of \$180.00 should be charged to Deposit Account No. 08-0217.

If there are any questions, please call the undersigned at the telephone number indicated below.

Respectfully submitted,
